

2024 —

SATYAM YADAV

Web Developer

Creating responsive, user-friendly web experiences with clean code and modern design.

ABOUT ME

About Me

I am a passionate and motivated Web Developer with a strong interest in creating responsive and user-friendly websites. I have knowledge of HTML, CSS, and JavaScript, and I enjoy learning new technologies to improve my skills.

As a fresher, I am eager to gain practical experience, contribute to real-world projects, and grow as a professional developer.

SKILLS

HTML5

CSS3

JavaScript

Responsive Web Design

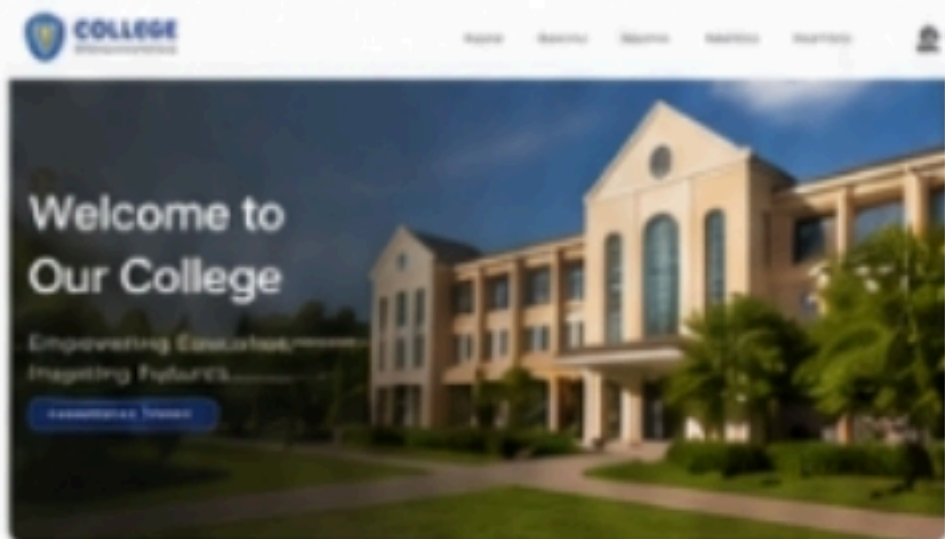

Git & GitHub

Problem Solving

MY PROJECTS

Projects

College Website

Developed a responsive college website using HTML, CSS, and JavaScript. The website includes multiple pages, navigation menus, and a user-friendly interface.

HTML

CSS

JavaScript

Personal Portfolio

Designed and developed a personal portfolio website to showcase my skills, projects, and contact information. It is fully responsive and optimized for all devices.

HTML

CSS

JavaScript

Calculator Application

Built a calculator using HTML, CSS, and JavaScript capable of performing basic arithmetic operations with an interactive and clean user interface.

HTML

CSS

JavaScript

EDUCATION

Bachelor's Degree (Pursuing)
From a recognized university.

CAREER OBJECTIVE

To secure an opportunity where I can apply my web development skills, gain practical experience, and contribute to innovative projects while continuously learning and growing in the field of technology.
